Teaching is a noble profession that allows a person to spread knowledge, share wisdom and build the youngsters as capable and responsible adults in the future. In that sense, the future of this world is truly in a teacher's hands. India celebrates Teacher's Day on 5th September in every year since 1962 as it is the birth anniversary of the second president of India, Sarvepalli Radhakrishnan. Nss volunteers celebrated Teacher's Day via Google Meet with teachers. Some entertainment programmes were also included in this session. The meeting was inaugurated by Fr. Thomas Thoompungal (Principal). The teachers in Mauleera College participated in the function and enjoyed the entertainment activities conducted by the students.
