ALUMNI TALK: 2

Date : 25/03/2021

The 2nd online webinar under the Graduate alumni talk series was conducted on 25th March 2021 at 7:00 pm via Google meet for the students of department of Geology. The resource person of the webinar was Mr. Adarsh K.S., an alumnus of 2015-18 batch. Mr. Adarsh K.S. is a student at University of Northern British Columbia, Canada. The webinar was entitled as "Scopes and procedures of Studying Abroad". The primary aim of the webinar was to make the children aware about various possibilities of Geology abroad and to evaluate themselves whether they can opt for the same outside. The poster regarding the webinar has been shared in the whatsapp group 2 days prior to the webinar. The webinar started at sharp 7:00 pm via Google meet. Ms. Alana Benny (Assistant Professor, PCI department of Geology) delivered the welcome speech. Then a brief introduction of the resource person was given which was followed by the main talk. A total of 38 students enthusiastically participated in the webinar. The talk covered every aspects related to the procedures and scope of studying abroad.

- The main highlights of the presentation was:
- Why studying abroad is a better option for students after degree?
 - The procedures and credentials to apply

for student visa in Canada.

- How to tackle the problem of year gap
- How to apply for work permit, permanent registration in the country.

The main talk was followed by an open discussion session in which students were given a chance to clarify their doubts. Then, the student coordinator Ms. Angel Mariya Joseph delivered the vote of thanks. The overall response of the students was so positive and they asked keenly for another talk from the same person as well.
