

CREATION OF HELP DESK

DATE:07-05-2021

BRIEF REPORT

The world is in a pandemic situation with CoronaVirus. The Government of Kerala is taking a lot of measures to control the spreading situation or remove the virus from society. It is through keeping social distance , cleaning hands with hand wash or soap etc, using sanitizers, wearing masks, avoiding social functions and staying home etc. NSS volunteers of Mar Sleeva college had created a help desk for vaccination registration purpose and to give covid 19 precautions and awareness during the pandemic situation. Some of the volunteers had given 24 hours service for online registration purposes . The help desk had also made some videos related with the precautions and awareness.
