

REPORT ON CANCER AWARENESS

As a part of World Aids Day on 1/12/2022, Red Ribbon cell in collaboration with Social work department conducted a skit at Medical College Idukki, Painavu, to provide awareness about Aids diseases and the way of its transmission and its treatments. It also provide to clarify the misunderstanding of stigma existing in the society about Aids/HIV. The skit begun at 12.30.pm, and audience was OP patients of the Medical college included doctors, medical officers and staff.

The skit was meant to bring awareness to the audience regarding the issues faced by the Aids victims since in the present scenario. The skit proceeded through a child whose mother died due to Aids. It intervened in the social issues faced by Aids patients like social exclusion, discrimination, injustice, inequality etc. the skit ended with a message to the public to wipe off this disease and all the existing misunderstanding of the disease in the society. The program ended at 2.pm and the feedback was positive.
