**TRAINING ON LINGUISTICS**

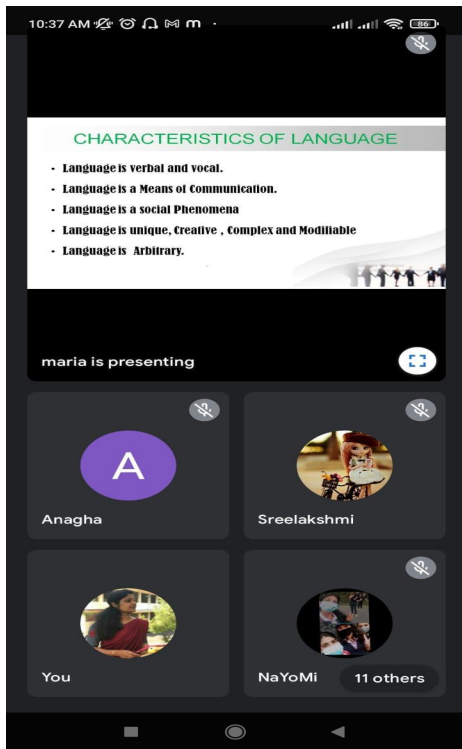

Linguistics is the scientific study of speech sounds. It is called scientific because it uses the methodology of science. As part of career, it is important for the students to learn the aspects of Linguistics.

A training on Linguistics was conducted on 06<sup>th</sup> October 2021 by the Department of English for the first year students of B.A English, by Ms.Maria Susan Jose, Assistant Professor, Department of English.

The main aim of the programme was to familiarize certain terms associated with Linguistics for the new students. Some of the screenshots are attached:
