Venue : Google meet.

JAN ANDOLAN

NSS Family reached their fifth day with all the enthusiasm and energetic activities they had during the last days. All the volunteers welcome their new day with overwhelming hearts. The meeting was starting with NSS anthem at 7.00 pm. Aswin presented the thought of the day from group 7. Yoga meditation activities are done by Shelbin. Devika volunteer did the digital paper presentation and she mention the main activities included in day 4 in her presentation. After the tea break the meeting was held in google meet. Volunteers have got an opportunity to be a part of the govt project titled as Jan andolan site survey. The volunteers take a pledge through online and after completing the same they awarded a certificate. Our NSS Family became a part of Jan andolan. All the volunteers took a pledge and get certificate.

NSS team introduced a new programme in the name of career Awareness. As a part of it they make videos related with courses available after high school level and share it through online media. At 7 pm interesting cultural programmes were held. After the programme an evaluation was made on the activities of the day. After the leaders meeting the activities of the day were wound up at 10.15 pm.
