

Date: 12/11/2021

Place: Mar Sleeva College of Arts and Science, Murickassery

The Department of Social Work in Mar Sleeva College of Arts and Science, Murickassery, conducted an orientation class in association with High Range Development Society (HDS), a supporting agency for the Jalanidhi project, which works under the central government. The project focuses on providing fresh water to all six panchayats of Idukki district at low cost, by 2025. The program led by the project manager and members of HDS, raised the need to create awareness among people and shared their concerns regarding the availability of freshwater, especially in rural areas, 25 Social Work Trainees participated in the session.
