

## ALUMNI MEET REPORT

PGI department of Geology, Mar Sleeva College of Arts and Science, Muvickassery had organised an alumni meet entitled 'Gieotogather 2k21' on 2<sup>nd</sup> January 2021 at 2:00 pm via Google meet. The primary aim of the meeting was to reunite all the former students of the college in order to share their experiences as well as memories regarding their college life which can be an inspiration for their fellow beings. Our department started the course in 2014 and we have 4 alumni batches ranging from the batch of 2014 to 2017. The program was planned and executed by Geomars (Geology association of Mar Sleeva) in association with IQAC. The information as well as posters about the programme were being shared through the Whatsapp group and all of the alumnis were kindly informed about the respective meeting. The meeting started at sharp 2 pm with the prayer song. Ms. Emiliya Joy CIOD, PGI department of Geology) delivered the welcome address while Dr. Joshy Varghese (Principal, Mar Sleeva College) inaugurated the meeting. The former head of the departments, Ms. Anitta K. John and Ms. Milu Tom offered felicitations for the meeting. Ms. Alana Benny (Assistant Professor, PGI department of Geology) delivered the vote of thanks. The meeting was a grand success with the active participation of 38 of our alumni students and teachers. Some alumnis couldn't make it out due to certain circumstances. The executive members for the alumni committee were selected from

The students of four former batches  
and the names are given below:

~~John~~  
Emily Joy
