

2) Photography competition

Date: 25/07/2022

Department of Geology, Mars Sreeva college of Arts & Science, Muzickassery conducted an Inter collegiate photography competition on World Moon day celebrated on 24th July. The topic of the photography competition entitled "Chandattan Evideya?" was night life. The first prize winner was decided to be awarded with Rs. 1001 & the second prize winner to be awarded with Rs. 500. Entries for the following competition started from 21/07/2022 6AM to 25/07/2022, 8 PM. A registration fee of Rs. 20 was also there. The rules and regulations regarding the competition were shared as posters via WhatsApp group. An active participation of students from different colleges were observed. The entries from the prize winners were published in the official Instagram page of geology department. The program conducted via online platform was a huge success & the prizes were distributed on Independence day celebration by the college Principal, Dr. Jobby Varghese.
