WEBINAR - HOW TO CRACK CSIR UGC NET

Date : 06/03/2021

As a part of providing career enrichment and development, Department of Geology conducted the webinar on the topic 'How to crack CSIR UGC NET' at 2:00 pm in the Google meet on 06/03/2021. The function started with the welcome speech by Ms. Emiliya Joy (HOD, Geology department). After that, Alana Benny (Teaching staff) felicitated the function. After that the webinar get started. Students actively participated in the webinar. At the end, the students were able to clear their doubts regarding CSIR NET. The vote of thanks was given by Ebin Thomas Joseph (student representative).
