During the Covid period, in the disaster relief survey conducted by Mar Sleeva College of Arts and Science, Murickassery NCC cadets along with mar sleeve care club to find the victims in various Grama Panchayat wards in Idukki constituency, Joseph Bindu became the most affected Maniyarankudi Regional Embrace in the 14th Ward of Vazhathoppu Panchayat. At first glance it was clear that they did not own land or a closed house to live in, and

that their two young children did not even have access to basic education.

Therefore as an initial aid, Mar Sleeve Ncc unit along with mar sleeve care club donated a sum of total 10000rs were given for the family for groceries and books and study materials for the children.

From the survey it is very much evident about the poor circumstances of the family, special request was given from the authority and students, to the Honourable Minister Roshi Augustine, MLA, Idukki Constituency, Minister for Water Resource
