On 02/11/2022, as a part of rural camp, the social work trainees presented a street play named 'Say no to drugs' at Jaimatha public school, Marayoor.

OBJECTIVES

- * To provide awareness on drug addiction and its consequences.
- * To promote 'no drugs' society.

IN DETAIL

The street play began around 3:00 p.m. There was a big crowd in the school comprising students from first standard to tenth standard, teachers and non-teaching staffs. There was great enthusiasm among the audience and provided a warm welcome to the social work trainees.

CONTENT OF THE PLAY

The play was meant to bring awareness to the audience regarding the contemporary issue faced by society in this era due to drug abuse and addiction. The street play started with a very common sight and experience in the society including the family of an alcoholic addict and

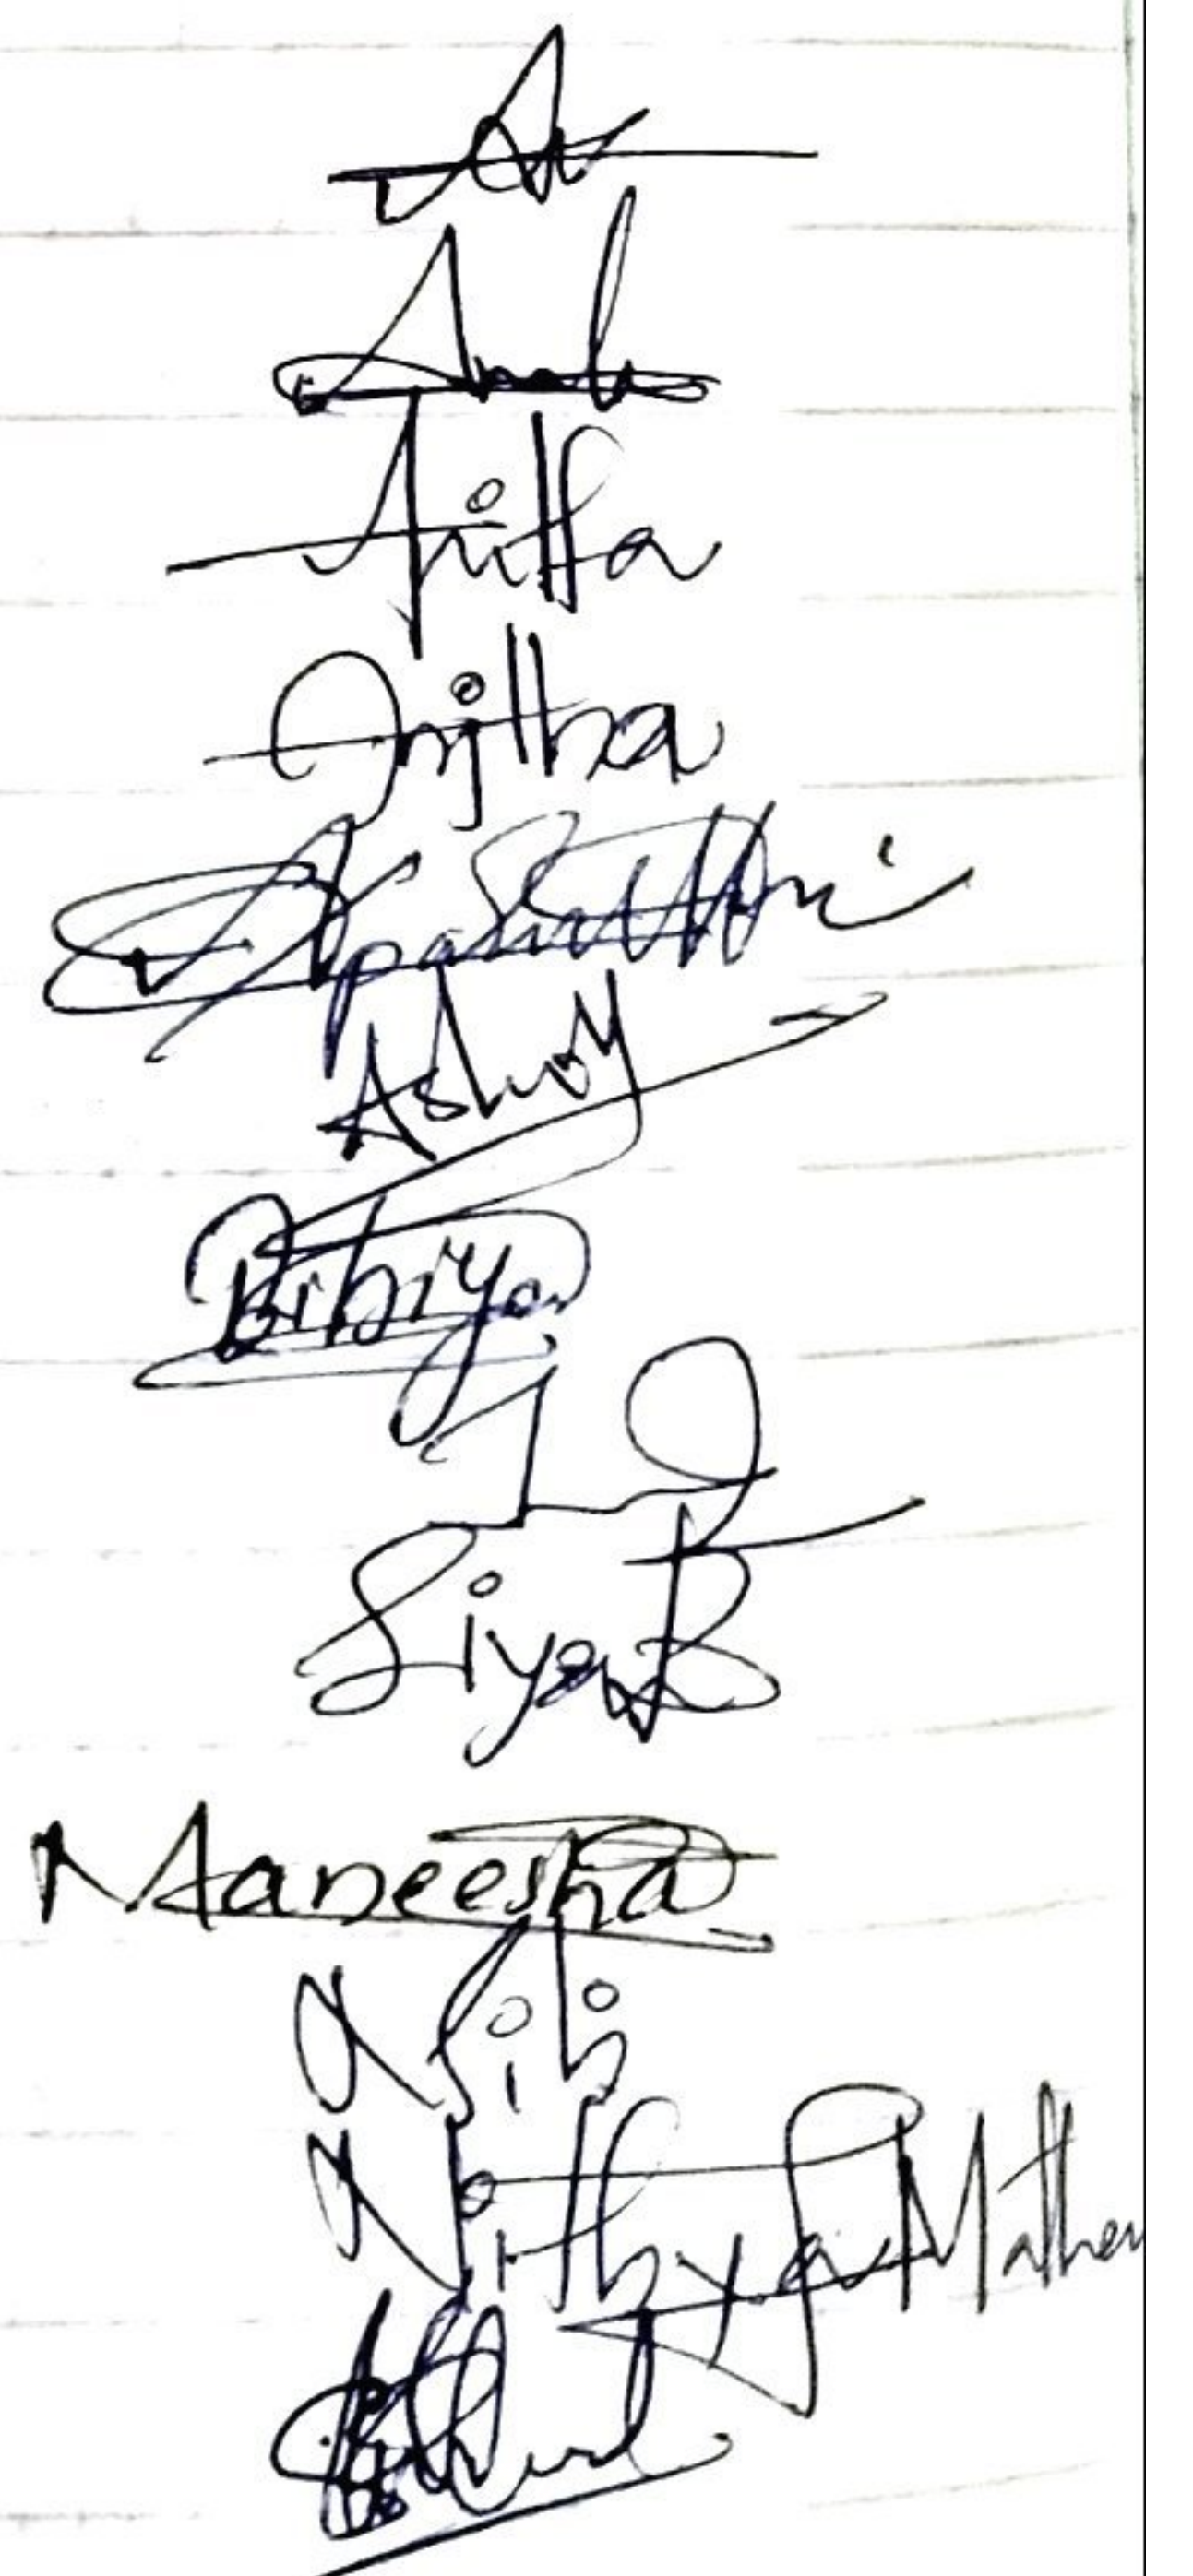

drug addicted son. The play proceeded with issues like family conflicts, psychological impacts on drug addicts, sexual harassments faced by women from drug addicts etc. The play ended with a message to the public to ban drugs and save society. The programme was then concluded with a vote of thanks proposed by social work trainee, Aparna Manoj.

CONCLUSION

The social work trainees were much disciplined towards their art and performance. The group succeeded in sending the message to the audience as every face was brought with emotions. In short, the street play was a success in imparting the message to the public.
