**Department of Computer Science  
TRAINING ON GROUP DISCUSSION - II**

Resource Person-Abraham M A

The Computer Science Department of Mar Sleeva College , organized a second section induction program for the final year students of BCA.. The objective of this program was to developing group discussion skills. It is useful for everyday life as we regularly find ourselves having discussions amongst friends, family and colleagues. Additionally, group discussions are increasingly being used in the job market during interviews and selection procedures. These can

take a variety of formats, but the key skills remain very similar. A total of 17 students participated in this program which was conducted on 15<sup>th</sup> February 2021. This section is moderated by Mr. Abraham M A (HOD, Dept. of English)
