Affiliated to MG University Kottayam, U O No.4023/12/AC A VII

GREEN CAMPUS POLICY

A Green Campus is a place where environmental friendly practices and education combine to promote sustainable and eco-friendly practices in the campus. We in mar sleevea College, really care for the nature. Green campus concept offers us the opportunity to take the lead in redefining its environmental culture and developing new paradigms by creating sustainable solutions to environmental, social and economic needs.

Our Environmental Aims and Objectives

- Our college is striving to develop on a self-sustainable basis in the areas of power, water and cleanliness.
- Our faculty, staff and students have to contribute collectively to develop an eco-friendly sustainable campus and disseminate the concept of eco-friendly culture to the nearby community and wherever possible.
- Awareness creations about environmental issues among students.
- Measure and reduce environmental emissions/ footprints

GREEN PROTOCOL

- Foster a culture of responsible dining by avoiding food wastage.
- Treat bio-degradable waste at source.
- Encourage the use of stainless-steel utensils to carry food.
- Clean, segregate and hand over plastic and paper waste to scrap dealers. Avoid burning them.
- Store electrical and electronic waste and hand it over for recycling.
- Encourage students to use bags, pencil boxes, purses made of cloth to reduce rexine waste which is generally non-recyclable.
- Get into a buy back policy on regard to electronic waste.
- Encourage students to use energy efficient LED bulbs.

- Avoid plastic covering and rexine-binding on project reports and records.
- Promote recycling of water within the campus.
- Avoid the use of non-biodegradable materials like pharmacol.
- Set up solar panels within the college premises to meet its energy needs
- Encourage the use of e-copies of programme notices, invitation letters to be sent via e-mails and messages. Avoid or minimize the use of printed materials.
- Inspire students to plant and nurture organic vegetables, trees.
- Print only minimum required copies of the college magazine, instead, promote green campus initiative.
